Hello to all, I apologize for the late arrival of a report from our area, And also for our inability to provide a representative for the Regional inventory, and ASC meetings. There is nothing much new to report from our service committees however their efforts and enthusiasm as well as successes are carrying on.

On a personal note I also apologize again for the inadvertent language used in the Flyer submitted to the region for posting on the website, as I personally was responsible for its design. I am truly sorry for any adverse controversy brought to the region and Na as a whole. The event was held and fairly well attended despite the controversies. The formation of an activities committee is being examined at this time by the GSR's in Bismarck. Jamestown's 4<sup>th</sup> annual potluck and Frolf tournament on June 22<sup>nd</sup> was also reported to be a successful event by Tony F.

We have moved our ASC meetings to Quarterly due to travel costs. Our next meeting will be held on August 16th which will be prior to the next RSC in October. We are looking forward to the results of the regional inventory and the guidance it will provide us. I hope to see and meet you at the Stump Lake Campout this weekend.

In Loving Service,

Rob H
